

## LETTER FROM THE SCHOOL

Date: October 16, 2018

To whom it may concern

The Greek Orthodox school of Taybeh, which is located at Ramallah governorate in West Bank has been conducting essential project concerning the school's only playground and construction of three floors building to be used for the school many tasks. The construction is still in progress and the ceiling of the first floor is ready to be finished, what we are lacking urgently is a financial support in the amount of \$50,000.

Due to the fact that President Trump has suspended USAID support for the Palestinian Authority region, which caused us to suspend the progress of the building for the lack of funding. To complete the first floor of 1200 square feet, the school needs \$50,000. We urgently need your financial support and blessing to complete phase one of the project.

Thank you very much for your support

Attached photos of the building in progress.

Your donation can be sent to Nasr Orthodox Foundation- donations are a tax exempted under the (501)C3.

School principal: Abeer Khouriah

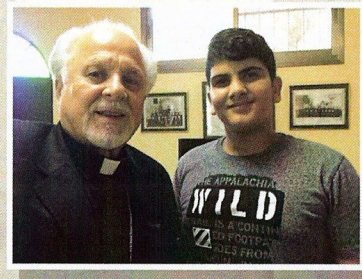

Financial officer: Saad Natour

Fr. Constantine Nasr

## Pillars of Biblical Ephraim (Taybeh)

Greetings.

I am blessed to inform you that the construction of the new wing at the Greek Orthodox Secondary School in Taybeh *has begun 3 months ago!*

However I am saddened to inform you that the construction has been **suspended** due to President Trump's decision to stop U.S. Aid, which assists the Palestinian Authority and Institutions.

Some of you have visited the school, and others have heard about it through our ministry. Those who visited were touched by what they had witnessed in regards to what the Nasr Orthodox Foundation has accomplished so far through your love and generosity.

We urgently, and prayerfully, ask you to **help us raise the balance** of \$50,000 in order to complete the new addition. Leaving it incomplete not only is harmful to the students, but also jeopardizes the building itself in the upcoming winter months.

Thank you for your continued prayers and support.

Blessings in Christ,  
Fr. Constantine Nasr, *Economos*

## A Look at How We Help

Construction of the new wing, 3 floors

Shelter for the students during the summer and winter months

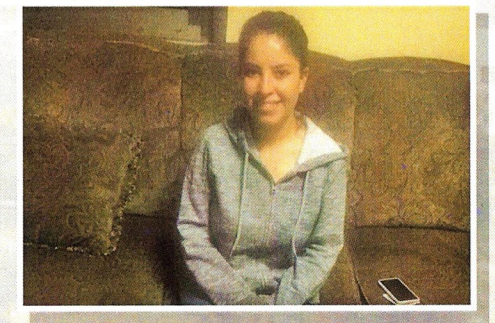

These students need our love and support

12 students received scholarships for their registration

*"I'm Yara. I study Computer Engineering at Birzeit University. Now I'm in my 2nd year, and my grades are good. I want to finish my university studying with master level. I'm a girl in a family of five persons and I have a brother studying at the University. I want to thank you and Abouna Nasr for your help to the students and I received a gift of \$500."*
