Greek Orthodox Secondary School received
amount for 2019 of \$27,000.

Dear Sir/Madam,

We, at the Greek Orthodox Secondary School
of Taybeh, are grateful for your continuous
support for the school's projects. The school
would like to inform you that the renovation of
the school's outdoor playground that you have
financially contributed for its renovation has
been suspended due to financial shortages
which is \$56,000. For the last two years, the
school has never conducted any kind of
activity at the playground and the students
have been deprived from using the gynasium
and the playground in conducting any kind of
sport which has a negative impact on the school
and its students. We appeal to you for your
generous assistance for the remaining balance in
order to obtain a fit and suitable playground for
the school's different activities.

We thank you and wish you well from Taybeh.

Ms. Abeer Khouriah
Principal
